

## Axl (phospho-Tyr702) polyclonal antibody

|                       |                                                              |
|-----------------------|--------------------------------------------------------------|
| Catalog No.           | 4018118                                                      |
| Size                  | 50uL / 100uL                                                 |
| Product Category      | Primary Antibody                                             |
| Immunogen             | Synthesized phosho peptide around human Axl (Tyr702)         |
| Host                  | Rabbit                                                       |
| Isotype               | IgG                                                          |
| Clonality             | Polyclonal                                                   |
| Reactivity            | Human; Mouse; Rat                                            |
| Application           | WB                                                           |
| Recommended Dilutions | WB 1:1000-2000                                               |
| Concentration         | 1mg/mL                                                       |
| Mol. Weight           | 130kD                                                        |
| Gene ID               | 558                                                          |
| UniProt ID            | P30530                                                       |
| Synonyms              | AXL; UFO; Tyrosine-protein kinase receptor UFO; AXL oncogene |
| Storage/Stability     | -20°C/1 year                                                 |
