

## BEST2 polyclonal antibody

|                       |                                                              |
|-----------------------|--------------------------------------------------------------|
| Catalog No.           | 4020818                                                      |
| Size                  | 50uL / 100uL                                                 |
| Product Category      | Primary Antibody                                             |
| Immunogen             | Synthetic Peptide of BEST2                                   |
| Host                  | Rabbit                                                       |
| Isotype               | IgG                                                          |
| Clonality             | Polyclonal                                                   |
| Reactivity            | Mouse; Rat                                                   |
| Application           | WB; IHC; IF                                                  |
| Recommended Dilutions | WB: 1:500-1000; IHC: 1:200-500                               |
| Concentration         | 1mg/mL                                                       |
| Mol. Weight           | 50kD                                                         |
| Gene ID               | 54831                                                        |
| UniProt ID            | Q8NFU1                                                       |
| Synonyms              | Bestrophin-2; Vitelliform macular dystrophy 2-like protein 1 |
| Storage/Stability     | -20°C/1 year                                                 |
