

## BET3 polyclonal antibody

|                       |                                                                                                    |
|-----------------------|----------------------------------------------------------------------------------------------------|
| Catalog No.           | 4001768                                                                                            |
| Size                  | 50uL / 100uL                                                                                       |
| Product Category      | Primary Antibody                                                                                   |
| Immunogen             | The antiserum was produced against synthesized peptide derived from human TRAPPC3 AA range:131-180 |
| Host                  | Rabbit                                                                                             |
| Isotype               | IgG                                                                                                |
| Clonality             | Polyclonal                                                                                         |
| Reactivity            | Human; Mouse; Rat                                                                                  |
| Application           | WB; IHC; ELISA                                                                                     |
| Recommended Dilutions | WB: 1/500 - 1/2000; IHC: 1/100 - 1/300; ELISA: 1/5000                                              |
| Concentration         | 1mg/mL                                                                                             |
| Mol. Weight           | 22kD                                                                                               |
| Gene ID               | 27095                                                                                              |
| UniProt ID            | O43617                                                                                             |
| Synonyms              | TRAPPC3; BET3; CDABP0066; Trafficking protein particle complex subunit 3; BET3 homolog             |
| Storage/Stability     | -20°C/1 year                                                                                       |
