

## BRAC polyclonal antibody

|                       |                                                                                 |
|-----------------------|---------------------------------------------------------------------------------|
| Catalog No.           | 4011075                                                                         |
| Size                  | 50uL / 100uL                                                                    |
| Product Category      | Primary Antibody                                                                |
| Immunogen             | Synthesized peptide derived from part region of human protein AA range: 181-230 |
| Host                  | Rabbit                                                                          |
| Isotype               | IgG                                                                             |
| Clonality             | Polyclonal                                                                      |
| Reactivity            | Human; Mouse                                                                    |
| Application           | WB; ELISA                                                                       |
| Recommended Dilutions | WB 1:500-2000; ELISA 1:5000-20000                                               |
| Concentration         | 1mg/mL                                                                          |
| Mol. Weight           | 47kD                                                                            |
| Gene ID               | 6862                                                                            |
| UniProt ID            | O15178                                                                          |
| Storage/Stability     | -20°C/1 year                                                                    |
