

## C1q-C polyclonal antibody

|                       |                                                                                                |
|-----------------------|------------------------------------------------------------------------------------------------|
| Catalog No.           | 4007408                                                                                        |
| Size                  | 50uL / 100uL                                                                                   |
| Product Category      | Primary Antibody                                                                               |
| Immunogen             | The antiserum was produced against synthesized peptide derived from human C1QC AA range:81-130 |
| Host                  | Rabbit                                                                                         |
| Isotype               | IgG                                                                                            |
| Clonality             | Polyclonal                                                                                     |
| Reactivity            | Human; Mouse; Rat                                                                              |
| Application           | WB; IHC; ELISA                                                                                 |
| Recommended Dilutions | WB: 1/500 - 1/2000; IHC: 1/100 - 1/300; ELISA: 1/40000                                         |
| Concentration         | 1mg/mL                                                                                         |
| Mol. Weight           | 30kD                                                                                           |
| Gene ID               | 714                                                                                            |
| UniProt ID            | P02747                                                                                         |
| Synonyms              | C1QC; C1QG; Complement C1q subcomponent subunit C                                              |
| Storage/Stability     | -20°C/1 year                                                                                   |
