

## Cadherin-16 polyclonal antibody

|                       |                                                                                                  |
|-----------------------|--------------------------------------------------------------------------------------------------|
| Catalog No.           | 4001822                                                                                          |
| Size                  | 50uL / 100uL                                                                                     |
| Product Category      | Primary Antibody                                                                                 |
| Immunogen             | The antiserum was produced against synthesized peptide derived from human CDH16 AA range:780-829 |
| Host                  | Rabbit                                                                                           |
| Isotype               | IgG                                                                                              |
| Clonality             | Polyclonal                                                                                       |
| Reactivity            | Human; Mouse; Rat                                                                                |
| Application           | WB; IHC; IF; ELISA                                                                               |
| Recommended Dilutions | WB: 1/500 - 1/2000; IHC: 1/100 - 1/300 IF: 1/200 - 1/1000; ELISA: 1/10000                        |
| Concentration         | 1mg/mL                                                                                           |
| Mol. Weight           | 90kD                                                                                             |
| Gene ID               | 1014                                                                                             |
| UniProt ID            | O75309                                                                                           |
| Synonyms              | CDH16; Cadherin-16; Kidney-specific cadherin; Ksp-cadherin                                       |
| Storage/Stability     | -20°C/1 year                                                                                     |
