

## CD16 polyclonal antibody

|                       |                                                           |
|-----------------------|-----------------------------------------------------------|
| Catalog No.           | 4008675                                                   |
| Size                  | 50uL / 100uL                                              |
| Product Category      | Primary Antibody                                          |
| Immunogen             | Synthetic peptide from human protein at AA range: 100-150 |
| Host                  | Rabbit                                                    |
| Isotype               | IgG                                                       |
| Clonality             | Polyclonal                                                |
| Reactivity            | Human; Mouse; Rat                                         |
| Application           | IHC; IF; ELISA                                            |
| Recommended Dilutions | IHC-p 1:50-200; ELISA 1:10000-20000                       |
| Concentration         | 1mg/mL                                                    |
| Gene ID               | 2214                                                      |
| UniProt ID            | P08637/O75015                                             |
| Storage/Stability     | -20°C/1 year                                              |
