

## CD314 polyclonal antibody

|                       |                                                                                                                                                                    |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.           | 4008696                                                                                                                                                            |
| Size                  | 50uL / 100uL                                                                                                                                                       |
| Product Category      | Primary Antibody                                                                                                                                                   |
| Immunogen             | Synthetic peptide from human protein at AA range: 167-216                                                                                                          |
| Host                  | Rabbit                                                                                                                                                             |
| Isotype               | IgG                                                                                                                                                                |
| Clonality             | Polyclonal                                                                                                                                                         |
| Reactivity            | Human; Mouse; Rat                                                                                                                                                  |
| Application           | IHC; IF; ELISA                                                                                                                                                     |
| Recommended Dilutions | IHC-p 1:50-200; ELISA 1:10000-20000                                                                                                                                |
| Concentration         | 1mg/mL                                                                                                                                                             |
| Gene ID               | 100528032                                                                                                                                                          |
| UniProt ID            | P26718                                                                                                                                                             |
| Synonyms              | NKG2-D type II integral membrane protein (Killer cell lectin-like receptor subfamily K member 1;NK cell receptor D;NKG2-D-activating NK receptor;CD antigen CD314) |
| Storage/Stability     | -20°C/1 year                                                                                                                                                       |
