

## CK8 monoclonal antibody

|                       |                                                                                |
|-----------------------|--------------------------------------------------------------------------------|
| Catalog No.           | 4051055                                                                        |
| Size                  | 50uL / 100uL                                                                   |
| Product Category      | Primary Antibody                                                               |
| Immunogen             | Synthetic Peptide                                                              |
| Host                  | Mouse                                                                          |
| Isotype               | IgG1                                                                           |
| Clonality             | Monoclonal                                                                     |
| Reactivity            | Human, Rat, Mouse                                                              |
| Application           | WB; IHC                                                                        |
| Recommended Dilutions | WB: 1:2000-5000; IHC: 1:200                                                    |
| Concentration         | 1mg/mL                                                                         |
| Mol. Weight           | 54kDa                                                                          |
| Gene ID               | 3856                                                                           |
| UniProt ID            | P05787                                                                         |
| Synonyms              | CARD2, CYK8, Cytokeratin 8, K2C8, K8, keratin 8, KO, KRT8, Type II keratin Kb8 |
| Storage/Stability     | -20°C/1 year                                                                   |
