

## CLCKB polyclonal antibody

|                       |                                                               |
|-----------------------|---------------------------------------------------------------|
| Catalog No.           | 4009533                                                       |
| Size                  | 50uL / 100uL                                                  |
| Product Category      | Primary Antibody                                              |
| Immunogen             | Synthesized peptide derived from part region of human protein |
| Host                  | Rabbit                                                        |
| Isotype               | IgG                                                           |
| Clonality             | Polyclonal                                                    |
| Reactivity            | Human; Mouse; Rat                                             |
| Application           | WB; ELISA                                                     |
| Recommended Dilutions | WB 1:500-2000; ELISA 1:5000-20000                             |
| Concentration         | 1mg/mL                                                        |
| Mol. Weight           | 75kD                                                          |
| Gene ID               | 1188                                                          |
| UniProt ID            | P51801                                                        |
| Storage/Stability     | -20°C/1 year                                                  |
