

## Cleaved-Caspase-5 p20 (D121) polyclonal antibody

|                       |                                                                                                      |
|-----------------------|------------------------------------------------------------------------------------------------------|
| Catalog No.           | 4001021                                                                                              |
| Size                  | 50uL / 100uL                                                                                         |
| Product Category      | Primary Antibody                                                                                     |
| Immunogen             | The antiserum was produced against synthesized peptide derived from human Caspase 5 AA range:102-151 |
| Host                  | Rabbit                                                                                               |
| Isotype               | IgG                                                                                                  |
| Clonality             | Polyclonal                                                                                           |
| Reactivity            | Human; Mouse; Rat                                                                                    |
| Application           | WB; ELISA                                                                                            |
| Recommended Dilutions | WB: 1/500 - 1/2000; ELISA: 1/20000                                                                   |
| Concentration         | 1mg/mL                                                                                               |
| Mol. Weight           | 22kD                                                                                                 |
| Gene ID               | 838                                                                                                  |
| UniProt ID            | P51878                                                                                               |
| Synonyms              | CASP5; ICH3; Caspase-5; CASP-5; ICE(rel)-III; Protease ICH-3; Protease TY                            |
| Storage/Stability     | -20°C/1 year                                                                                         |
