

## CLN5 polyclonal antibody

|                       |                                                                                                 |
|-----------------------|-------------------------------------------------------------------------------------------------|
| Catalog No.           | 4004682                                                                                         |
| Size                  | 50uL / 100uL                                                                                    |
| Product Category      | Primary Antibody                                                                                |
| Immunogen             | The antiserum was produced against synthesized peptide derived from human CLN5 AA range:171-220 |
| Host                  | Rabbit                                                                                          |
| Isotype               | IgG                                                                                             |
| Clonality             | Polyclonal                                                                                      |
| Reactivity            | Human; Mouse; Rat                                                                               |
| Application           | WB; ELISA                                                                                       |
| Recommended Dilutions | WB: 1/500 - 1/2000; ELISA: 1/10000                                                              |
| Concentration         | 1mg/mL                                                                                          |
| Mol. Weight           | 48kD                                                                                            |
| Gene ID               | 1203                                                                                            |
| UniProt ID            | O75503                                                                                          |
| Synonyms              | CLN5; Ceroid-lipofuscinosis neuronal protein 5; Protein CLN5                                    |
| Storage/Stability     | -20°C/1 year                                                                                    |
