

## CSN1 polyclonal antibody

|                       |                                                                                                                                                                               |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.           | 4005627                                                                                                                                                                       |
| Size                  | 50uL / 100uL                                                                                                                                                                  |
| Product Category      | Primary Antibody                                                                                                                                                              |
| Immunogen             | The antiserum was produced against synthesized peptide derived from human COPS1 AA range:420-469                                                                              |
| Host                  | Rabbit                                                                                                                                                                        |
| Isotype               | IgG                                                                                                                                                                           |
| Clonality             | Polyclonal                                                                                                                                                                    |
| Reactivity            | Human; Mouse; Rat                                                                                                                                                             |
| Application           | IHC; IF; ELISA                                                                                                                                                                |
| Recommended Dilutions | IHC: 1/100 - 1/300; ELISA: 1/20000                                                                                                                                            |
| Concentration         | 1mg/mL                                                                                                                                                                        |
| Gene ID               | 2873                                                                                                                                                                          |
| UniProt ID            | Q13098                                                                                                                                                                        |
| Synonyms              | GPS1; COPS1; CSN1; COP9 signalosome complex subunit 1; SGN1; Signalosome subunit 1; G protein pathway suppressor 1; GPS-1; JAB1-containing signalosome subunit 1; Protein MFH |
| Storage/Stability     | -20°C/1 year                                                                                                                                                                  |
