

## Cyclin D3 polyclonal antibody

|                       |                                                                                                      |
|-----------------------|------------------------------------------------------------------------------------------------------|
| Catalog No.           | 4007915                                                                                              |
| Size                  | 50uL / 100uL                                                                                         |
| Product Category      | Primary Antibody                                                                                     |
| Immunogen             | The antiserum was produced against synthesized peptide derived from human Cyclin D3 AA range:243-292 |
| Host                  | Rabbit                                                                                               |
| Isotype               | IgG                                                                                                  |
| Clonality             | Polyclonal                                                                                           |
| Reactivity            | Human; Mouse; Rat; Monkey                                                                            |
| Application           | WB; IHC; ELISA                                                                                       |
| Recommended Dilutions | WB: 1/500 - 1/2000; IHC: 1/100 - 1/300; ELISA: 1/5000                                                |
| Concentration         | 1mg/mL                                                                                               |
| Mol. Weight           | 32kD                                                                                                 |
| Gene ID               | 896                                                                                                  |
| UniProt ID            | P30281                                                                                               |
| Synonyms              | CCND3; G1/S-specific cyclin-D3                                                                       |
| Storage/Stability     | -20°C/1 year                                                                                         |
