

## CYFP1 polyclonal antibody

|                       |                                                                      |
|-----------------------|----------------------------------------------------------------------|
| Catalog No.           | 4010592                                                              |
| Size                  | 50uL / 100uL                                                         |
| Product Category      | Primary Antibody                                                     |
| Immunogen             | Synthesized peptide derived from human protein at AA range: 980-1060 |
| Host                  | Rabbit                                                               |
| Isotype               | IgG                                                                  |
| Clonality             | Polyclonal                                                           |
| Reactivity            | Human; Mouse; Rat                                                    |
| Application           | WB; ELISA                                                            |
| Recommended Dilutions | WB 1:500-2000; ELISA 1:5000-20000                                    |
| Concentration         | 1mg/mL                                                               |
| Mol. Weight           | 137kD                                                                |
| Gene ID               | 23191                                                                |
| UniProt ID            | Q7L576                                                               |
| Storage/Stability     | -20°C/1 year                                                         |
