

## EFHD1 polyclonal antibody

|                       |  |
|-----------------------|--|
| Catalog No.           | 4040021                                    |
| Size                  | 50uL / 100uL                               |
| Product Category      | Primary Antibody                           |
| Immunogen             | Recombinant Protein                        |
| Host                  | Rabbit                                     |
| Isotype               | IgG  |
| Clonality             | Polyclonal                                 |
| Reactivity            | Human                                      |
| Application           | WB   |
| Recommended Dilutions | WB: 1:1000                                 |
| Concentration         | 1mg/mL                                     |
| Mol. Weight           | 27kDa                                      |
| Gene ID               | 80303                                      |
| UniProt ID            | Q9BUP0                                     |
| Synonyms              | MST133, MSTP133, PP3051, Swiprosin 2, SWS2 |
| Storage/Stability     | -20°C/1 year                               |
