

## PXK polyclonal antibody

|                       |                                                                 |
|-----------------------|-----------------------------------------------------------------|
| Catalog No.           | 4013848                                                         |
| Size                  | 50uL / 100uL                                                    |
| Product Category      | Primary Antibody                                                |
| Immunogen             | Synthesized peptide derived from human PXK AA range:<br>238-288 |
| Host                  | Rabbit                                                          |
| Isotype               | IgG                                                             |
| Clonality             | Polyclonal                                                      |
| Reactivity            | Human; Mouse; Rat                                               |
| Application           | WB                                                              |
| Recommended Dilutions | WB 1:500-2000                                                   |
| Concentration         | 1mg/mL                                                          |
| Gene ID               | 54899                                                           |
| UniProt ID            | Q7Z7A4                                                          |
| Storage/Stability     | -20°C/1 year                                                    |
