

## Radixin polyclonal antibody

|                       |                                                                                                |
|-----------------------|------------------------------------------------------------------------------------------------|
| Catalog No.           | 4003310                                                                                        |
| Size                  | 50uL / 100uL                                                                                   |
| Product Category      | Primary Antibody                                                                               |
| Immunogen             | The antiserum was produced against synthesized peptide derived from human RDX AA range:142-191 |
| Host                  | Rabbit                                                                                         |
| Isotype               | IgG                                                                                            |
| Clonality             | Polyclonal                                                                                     |
| Reactivity            | Human; Mouse; Rat                                                                              |
| Application           | WB; ELISA; IHC                                                                                 |
| Recommended Dilutions | WB 1:500-2000; IHC-p 1:50-300; ELISA 2000-20000                                                |
| Concentration         | 1mg/mL                                                                                         |
| Mol. Weight           | 69kD                                                                                           |
| Gene ID               | 5962                                                                                           |
| UniProt ID            | P35241                                                                                         |
| Synonyms              | RDX; Radixin                                                                                   |
| Storage/Stability     | -20°C/1 year                                                                                   |
