

## RD3 polyclonal antibody

|                       |                                                                 |
|-----------------------|-----------------------------------------------------------------|
| Catalog No.           | 4013432                                                         |
| Size                  | 50uL / 100uL                                                    |
| Product Category      | Primary Antibody                                                |
| Immunogen             | Synthesized peptide derived from human RD3 AA range:<br>126-176 |
| Host                  | Rabbit                                                          |
| Isotype               | IgG                                                             |
| Clonality             | Polyclonal                                                      |
| Reactivity            | Human; Mouse                                                    |
| Application           | WB; ELISA; IHC                                                  |
| Recommended Dilutions | WB 1:500-2000; IHC-p 1:50-300; ELISA 2000-20000                 |
| Concentration         | 1mg/mL                                                          |
| Gene ID               | 343035                                                          |
| UniProt ID            | Q7Z3Z2                                                          |
| Storage/Stability     | -20°C/1 year                                                    |
