

## RFX6 polyclonal antibody

|                       |                                                               |
|-----------------------|---------------------------------------------------------------|
| Catalog No.           | 4013408                                                       |
| Size                  | 50uL / 100uL                                                  |
| Product Category      | Primary Antibody                                              |
| Immunogen             | Synthesized peptide derived from human RFX6 AA range: 264-314 |
| Host                  | Rabbit                                                        |
| Isotype               | IgG                                                           |
| Clonality             | Polyclonal                                                    |
| Reactivity            | Human; Mouse                                                  |
| Application           | WB; ELISA; IHC                                                |
| Recommended Dilutions | WB 1:500-2000; IHC-p 1:50-300; ELISA 2000-20000               |
| Concentration         | 1mg/mL                                                        |
| Gene ID               | 222546                                                        |
| UniProt ID            | Q8HWS3                                                        |
| Storage/Stability     | -20°C/1 year                                                  |
