

## ROA3 polyclonal antibody

|                       |                                                                  |
|-----------------------|------------------------------------------------------------------|
| Catalog No.           | 4013356                                                          |
| Size                  | 50uL / 100uL                                                     |
| Product Category      | Primary Antibody                                                 |
| Immunogen             | Synthesized peptide derived from human ROA3 AA range:<br>196-246 |
| Host                  | Rabbit                                                           |
| Isotype               | IgG                                                              |
| Clonality             | Polyclonal                                                       |
| Reactivity            | Human; Mouse; Rat                                                |
| Application           | WB; IHC                                                          |
| Recommended Dilutions | WB 1:500-2000; IHC-p 1:50-300                                    |
| Concentration         | 1mg/mL                                                           |
| Gene ID               | 220988                                                           |
| UniProt ID            | P51991                                                           |
| Storage/Stability     | -20°C/1 year                                                     |
