

## ROS1 polyclonal antibody

|                       |                                                                       |
|-----------------------|-----------------------------------------------------------------------|
| Catalog No.           | 4008959                                                               |
| Size                  | 50uL / 100uL                                                          |
| Product Category      | Primary Antibody                                                      |
| Immunogen             | Synthesized peptide derived from human protein at AA range: 2210-2290 |
| Host                  | Rabbit                                                                |
| Isotype               | IgG                                                                   |
| Clonality             | Polyclonal                                                            |
| Reactivity            | Human; Mouse; Rat                                                     |
| Application           | IHC; IF                                                               |
| Recommended Dilutions | IHC-p 1:50-300 IF 1:50-300                                            |
| Concentration         | 1mg/mL                                                                |
| Mol. Weight           | 258kD                                                                 |
| Gene ID               | 6098                                                                  |
| UniProt ID            | P08922                                                                |
| Storage/Stability     | -20°C/1 year                                                          |
