

## SE6L2 polyclonal antibody

|                       |                                                                |
|-----------------------|----------------------------------------------------------------|
| Catalog No.           | 4019288                                                        |
| Size                  | 50uL / 100uL                                                   |
| Product Category      | Primary Antibody                                               |
| Immunogen             | Synthesized peptide derived from human SE6L2 AA range: 106-156 |
| Host                  | Rabbit                                                         |
| Isotype               | IgG                                                            |
| Clonality             | Polyclonal                                                     |
| Reactivity            | Human; Mouse                                                   |
| Application           | WB                                                             |
| Recommended Dilutions | WB 1:1000-2000                                                 |
| Concentration         | 1mg/mL                                                         |
| Gene ID               | 26470                                                          |
| UniProt ID            | Q6UXD5                                                         |
| Storage/Stability     | -20°C/1 year                                                   |
