

## SIGL9 polyclonal antibody

|                       |                                                                   |
|-----------------------|-------------------------------------------------------------------|
| Catalog No.           | 4011343                                                           |
| Size                  | 50uL / 100uL                                                      |
| Product Category      | Primary Antibody                                                  |
| Immunogen             | Synthesized peptide derived from human protein at AA range: 10-90 |
| Host                  | Rabbit                                                            |
| Isotype               | IgG                                                               |
| Clonality             | Polyclonal                                                        |
| Reactivity            | Human; Mouse; Rat                                                 |
| Application           | WB; ELISA                                                         |
| Recommended Dilutions | WB 1:500-2000; ELISA 1:5000-20000                                 |
| Concentration         | 1mg/mL                                                            |
| Mol. Weight           | 50kD                                                              |
| Gene ID               | 27180                                                             |
| UniProt ID            | Q9Y336                                                            |
| Storage/Stability     | -20°C/1 year                                                      |
