

## SODE polyclonal antibody

|                       |                                                              |
|-----------------------|--------------------------------------------------------------|
| Catalog No.           | 4013022                                                      |
| Size                  | 50uL / 100uL                                                 |
| Product Category      | Primary Antibody                                             |
| Immunogen             | Synthesized peptide derived from human SODE AA range: 67-117 |
| Host                  | Rabbit                                                       |
| Isotype               | IgG                                                          |
| Clonality             | Polyclonal                                                   |
| Reactivity            | Human; Mouse; Rat                                            |
| Application           | WB; ELISA; IHC                                               |
| Recommended Dilutions | WB 1:500-2000; IHC-p 1:50-300; ELISA 2000-20000              |
| Concentration         | 1mg/mL                                                       |
| Gene ID               | 6649                                                         |
| UniProt ID            | P08294                                                       |
| Storage/Stability     | -20°C/1 year                                                 |
