

## SYK polyclonal antibody (N-terminal)

|                       |                                                                              |
|-----------------------|------------------------------------------------------------------------------|
| Catalog No.           | 4008890                                                                      |
| Size                  | 50uL / 100uL                                                                 |
| Product Category      | Primary Antibody                                                             |
| Immunogen             | Synthesized peptide derived from human SYK                                   |
| Host                  | Rabbit                                                                       |
| Isotype               | IgG                                                                          |
| Clonality             | Polyclonal                                                                   |
| Reactivity            | Human; Mouse; Rat                                                            |
| Application           | WB; ELISA                                                                    |
| Recommended Dilutions | WB 1:500-2000; ELISA 1:10000-20000                                           |
| Concentration         | 1mg/mL                                                                       |
| Mol. Weight           | 72kD                                                                         |
| Gene ID               | 6850                                                                         |
| UniProt ID            | P43405                                                                       |
| Synonyms              | Tyrosine-protein kinase SYK (EC 2.7.10.2) (Spleen tyrosine kinase) (p72-Syk) |
| Storage/Stability     | -20°C/1 year                                                                 |
