

## TAF II p100 polyclonal antibody

|                       |                                                                                                                                                      |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.           | 4003552                                                                                                                                              |
| Size                  | 50uL / 100uL                                                                                                                                         |
| Product Category      | Primary Antibody                                                                                                                                     |
| Immunogen             | The antiserum was produced against synthesized peptide derived from human TAF5 AA range:381-430                                                      |
| Host                  | Rabbit                                                                                                                                               |
| Isotype               | IgG                                                                                                                                                  |
| Clonality             | Polyclonal                                                                                                                                           |
| Reactivity            | Human; Mouse                                                                                                                                         |
| Application           | WB; IHC; ELISA                                                                                                                                       |
| Recommended Dilutions | WB: 1/500 - 1/2000; IHC: 1/100 - 1/300; ELISA: 1/5000                                                                                                |
| Concentration         | 1mg/mL                                                                                                                                               |
| Mol. Weight           | 87kD                                                                                                                                                 |
| Gene ID               | 6877                                                                                                                                                 |
| UniProt ID            | Q15542                                                                                                                                               |
| Synonyms              | TAF5; TAF2D; Transcription initiation factor TFIID subunit 5; Transcription initiation factor TFIID 100 kDa subunit; TAF(II)100; TAFII-100; TAFII100 |
| Storage/Stability     | -20°C/1 year                                                                                                                                         |
