

## TNNC1 polyclonal antibody

|                       |                                                               |
|-----------------------|---------------------------------------------------------------|
| Catalog No.           | 4012618                                                       |
| Size                  | 50uL / 100uL                                                  |
| Product Category      | Primary Antibody                                              |
| Immunogen             | Synthesized peptide derived from human TNNC1 AA range: 57-107 |
| Host                  | Rabbit                                                        |
| Isotype               | IgG                                                           |
| Clonality             | Polyclonal                                                    |
| Reactivity            | Human; Mouse                                                  |
| Application           | WB                                                            |
| Recommended Dilutions | WB 1:500-2000                                                 |
| Concentration         | 1mg/mL                                                        |
| Gene ID               | 7134                                                          |
| UniProt ID            | P63316                                                        |
| Storage/Stability     | -20°C/1 year                                                  |
