

## TTC22 polyclonal antibody

|                       |                                                                |
|-----------------------|----------------------------------------------------------------|
| Catalog No.           | 4012526                                                        |
| Size                  | 50uL / 100uL                                                   |
| Product Category      | Primary Antibody                                               |
| Immunogen             | Synthesized peptide derived from human TTC22 AA range: 390-440 |
| Host                  | Rabbit                                                         |
| Isotype               | IgG                                                            |
| Clonality             | Polyclonal                                                     |
| Reactivity            | Human; Mouse                                                   |
| Application           | WB                                                             |
| Recommended Dilutions | WB 1:500-2000                                                  |
| Concentration         | 1mg/mL                                                         |
| Mol. Weight           | 60kD                                                           |
| Gene ID               | 55001                                                          |
| UniProt ID            | Q5TAA0                                                         |
| Synonyms              | Tetratricopeptide repeat protein 22 (TPR repeat protein 22)    |
| Storage/Stability     | -20°C/1 year                                                   |
