

## Ub (Acetyl Lys11) polyclonal antibody

|                       |                                                                                                                                                            |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.           | 4020137                                                                                                                                                    |
| Size                  | 50uL / 100uL                                                                                                                                               |
| Product Category      | Primary Antibody                                                                                                                                           |
| Immunogen             | Synthesized peptide derived from human Ub (Acetyl Lys11)                                                                                                   |
| Host                  | Rabbit                                                                                                                                                     |
| Isotype               | IgG                                                                                                                                                        |
| Clonality             | Polyclonal                                                                                                                                                 |
| Reactivity            | Human; Mouse; Rat                                                                                                                                          |
| Application           | WB; ELISA                                                                                                                                                  |
| Recommended Dilutions | WB 1:1000-2000; ELISA 1:5000-20000                                                                                                                         |
| Concentration         | 1mg/mL                                                                                                                                                     |
| Gene ID               | 7311                                                                                                                                                       |
| UniProt ID            | P62987/P62979/P0CG47/P0CG48                                                                                                                                |
| Synonyms              | Ubiquitin-60S ribosomal protein L40 (CEP52;Ubiquitin A-52 residue ribosomal protein fusion product 1) [Cleaved into: Ubiquitin; 60S ribosomal protein L40] |
| Storage/Stability     | -20°C/1 year                                                                                                                                               |
