

## VE-Cadherin polyclonal antibody

|                       |                                                                                           |
|-----------------------|-------------------------------------------------------------------------------------------|
| Catalog No.           | 4008908                                                                                   |
| Size                  | 50uL / 100uL                                                                              |
| Product Category      | Primary Antibody                                                                          |
| Immunogen             | Synthesized peptide derived from human VE-Cadherin<br>Polyclonal AA range: 30-110         |
| Host                  | Rabbit                                                                                    |
| Isotype               | IgG                                                                                       |
| Clonality             | Polyclonal                                                                                |
| Reactivity            | Human; Mouse; Rat                                                                         |
| Application           | WB; ELISA                                                                                 |
| Recommended Dilutions | WB 1:500-2000; ELISA 1:10000-20000                                                        |
| Concentration         | 1mg/mL                                                                                    |
| Mol. Weight           | 130kD                                                                                     |
| Gene ID               | 1003                                                                                      |
| UniProt ID            | P33151                                                                                    |
| Synonyms              | Cadherin-5 (7B4 antigen) (Vascular endothelial cadherin) (VE-cadherin) (CD antigen CD144) |
| Storage/Stability     | -20°C/1 year                                                                              |
