

## Kanamycin sulfate

|                  |                                         |
|------------------|-----------------------------------------|
| Catalog No.      | 56210031                                |
| Size             | 1g / 5g                                 |
| Product Category | Antibiotic                              |
| CAS No.          | 25389-94-0                              |
| Mol. Formula     | $C_{18}H_{36}N_{4}O_{11} \cdot H_2SO_4$ |
| Mol. Weight      | 582.58                                  |
| Enzyme Activity  | 750mcg/mg                               |
