

## pUC118

|                      |                      |
|----------------------|----------------------|
| Catalog No.          | 505191               |
| Size                 | 4ug / 10ug / 20ug    |
| Product Category     | Plasmid / Vector     |
| Type                 | Basic Cloning Vector |
| Host                 | E. coli              |
| Insert Size          | 3162 bp              |
| Promoter             | Lac                  |
| Bacterial Resistance | Ampicillin           |
| Growth Temperature   | 37°C                 |
| Growth Strain(s)     | DH5a                 |
| Expression Level     | High                 |
| Storage/Stability    | -20°C/5 years        |
| Shipping             | Ambient              |
